Location & surrounding area:

Pals is a medieval town at a few kilometres from the sea in the heart of the Bay of Emporda on the Costa Brava. Pals has a historic centre on a hill with a medieval Romanesque tower, known as the Torre de les Hores (Tower of the Hours). The Gothic Quarter of the town has been substantially restored.

The Josep Pla viewpoint, the Plaça Major, the tombs in the Carrer Major, the archaeology museum and the church of Sant Pere are other features of the town. On the edge of the main town is Masos de Pals, which has a thriving urban centre, popular as a location for holiday homes. Platja de Pals ("Pals' Beach") is also a popular holiday location.
